

**Will your child be five before
29 Feb 2024?**

Yes? Then it's time to enrol them for school.

If your child will be five years of age on or before 29 February 2024, then it's time to enrol them for Primary 1.

The new session starts on 15 August 2023.

Enrolment week for Highland schools is **Monday 30 January to Friday 3 February 2023.**

To enrol your child, or for further information on completing the online form, the enrolment process, catchment areas, Gaelic Medium education, school transport and placing requests visit www.highland.gov.uk/enrol.

Please note that once you have enrolled your child online, the school will contact you to arrange the necessary induction for your child.

Although you may wish your child to attend a school other than your local primary school, you must first enrol at your catchment area primary school and then make a placing request.

If you do not have access to the online enrolment process, please contact your catchment school office during enrolment week.
